

# AGUSTA A-119 (Koala)

THE AGUSTA A-119 IS A HIGH PERFORMANCE HELICOPTER CONFIGURED FOR 7 PASSENGERS. THE KOALA PROVIDES UNRIVALED SPEED AND PAYLOAD THANKS TO A PRATT AND WHITNEY PT-6 TURBO SHAFT ENGINE RATED AT 1002 SHP. WITH THE LATEST TECHNOLOGY, ENHANCED STABILITY, AND STATE-OF-THE-ART SAFETY FEATURES, THE KOALA WILL OUT-PERFORM ALL AIRCRAFT IN ITS CLASS.

With its single Pratt & Whitney 1,002 shp turbine engine, the A119 is a performer far beyond the operational envelopes of many other single turbine helicopters. With its large multi-mission capable fuselage structure, the Agusta A119 KOALA is an 7 place cabin class helicopter combining safety attributes such as dual stability augmentation and major system redundancies with technically superior operational characteristics such as a 135 knot cruise speed.

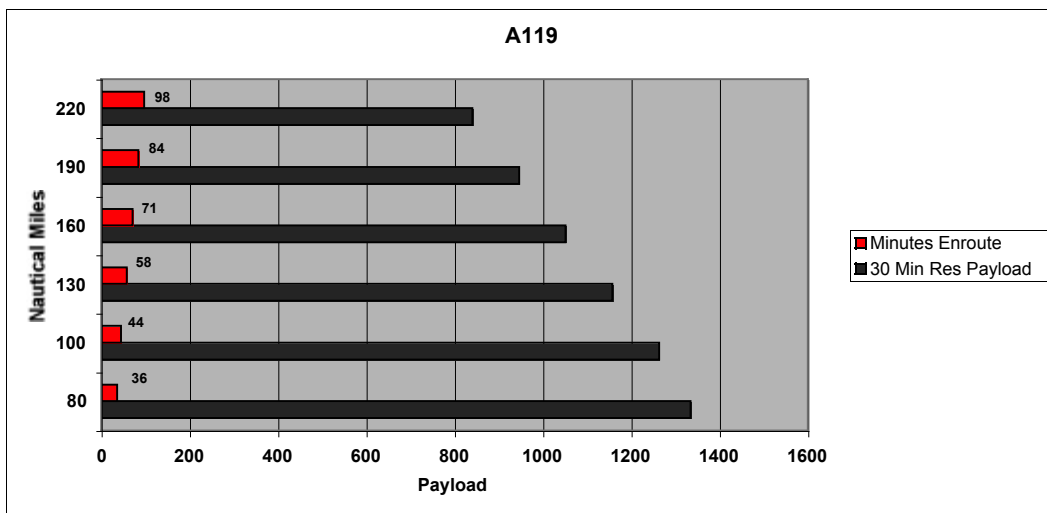

Cruise Airspeed	135 Kts
Basic Operating Weight	4,143 Lbs
Max Gross Weight	5,9997 Lbs
Max Fuel	1,064 Lbs / 1,255 Lbs**
30 Min. Reserve Range: (Non Refueled)	235 NM / 288 NM**

*\*\*Single Aux. Tank Configuration*

## STANDARD CONFIGURATION

- 7 Passenger Seats
- 33.6 Cubic Feet Cargo Area
- Emergency Flotation
- Air Conditioning
- Traffic Avoidance System\*
- GPS Position Tracking\*

*\*Fleet Installations in progress.*
